

QR Limited

Release of Information Policy

QR Limited is a Government Owned Corporation and therefore operates commercially for and in the public interest.

QR operates in a highly competitive commercial environment. However, in line with the Queensland government's principles of transparency and accountability throughout government, we willingly provide access to information wherever it is in the public interest to do so.

At times, the public interest is best served by maintaining confidentiality on information that has high commercial value. However, all QR information, including confidential information, is subject to audit and Government scrutiny.

QR effects its release of information through a Publication Scheme where information is made available according to the following guidelines:

- We provide information for public access on our website.
- We ensure that this information is regularly reviewed and kept up to date and accurate.
- We provide information to the public as a matter of course, unless there is public interest or commercial sensitivity for not doing so.
- We publicly release information that we have disclosed via a Freedom of Information (FOI) request if we deem it to have a wider public interest.
- We provide contact details for anyone seeking further information about QR Limited.

The information we provide under the Publications Scheme is in the following classes;

- About Us
- Our Services
- Our Finances
- Our Priorities
- Our Decisions
- Our Policies
- Our Lists

This policy applies to QR Limited and its subsidiary companies
