Your
comfort

Follow these instructions to log onto this service.

- Step 1:** Make sure that you are in a stable position within the carriage.
- Step 2:** Ensure your wireless enabled mobile device is turned on and has its wireless signal/switch activated.
- Step 3:** Go to the Available Wireless Network Connection List as displayed on your mobile device.
- Step 4:** Navigate to 'Queensland Rail Free Wi-Fi' from the list and then select 'connect'.
- Step 5:** Open your internet browser and you will be directed to the Queensland Rail Free Wi-Fi landing page. The Terms and Conditions of use will be displayed and must be accepted before you can use the Free Wi-Fi service.
- Step 6:** Once the Terms and Conditions are accepted, you will be taken to the Free Wi-Fi launch page. You can then navigate away from this page and use your free Wi-Fi.

Should you exhaust your data allocation, you will be disconnected from the Wi-Fi network. Your connection will be reset 4 hours after you first started using the service.
