

why travel by train?

Benefits of travelling by rail when backpacking around Queensland

Queensland Rail provides the ultimate way to travel up the Queensland coastline stopping at all key tourism hot spots. Sit back, relax and truly enjoy the journey, in comfort and style while being amazed by the spectacular landscapes as they roll by your window.

- Great value for money rail passes
- Comfortable padded and reclining seats
- Toilets and showers
- Ability to move around the train (dining and beverage carriages)
- Reliable and safe form of travel
- Connects Queensland holiday destinations
- Can see unique Queensland landscapes
- Flexibility to eat and drink on board at affordable prices
- Onboard entertainment on most services
- Option to upgrade to sleepers on overnight journeys.
