

Night Works – Muriel Avenue

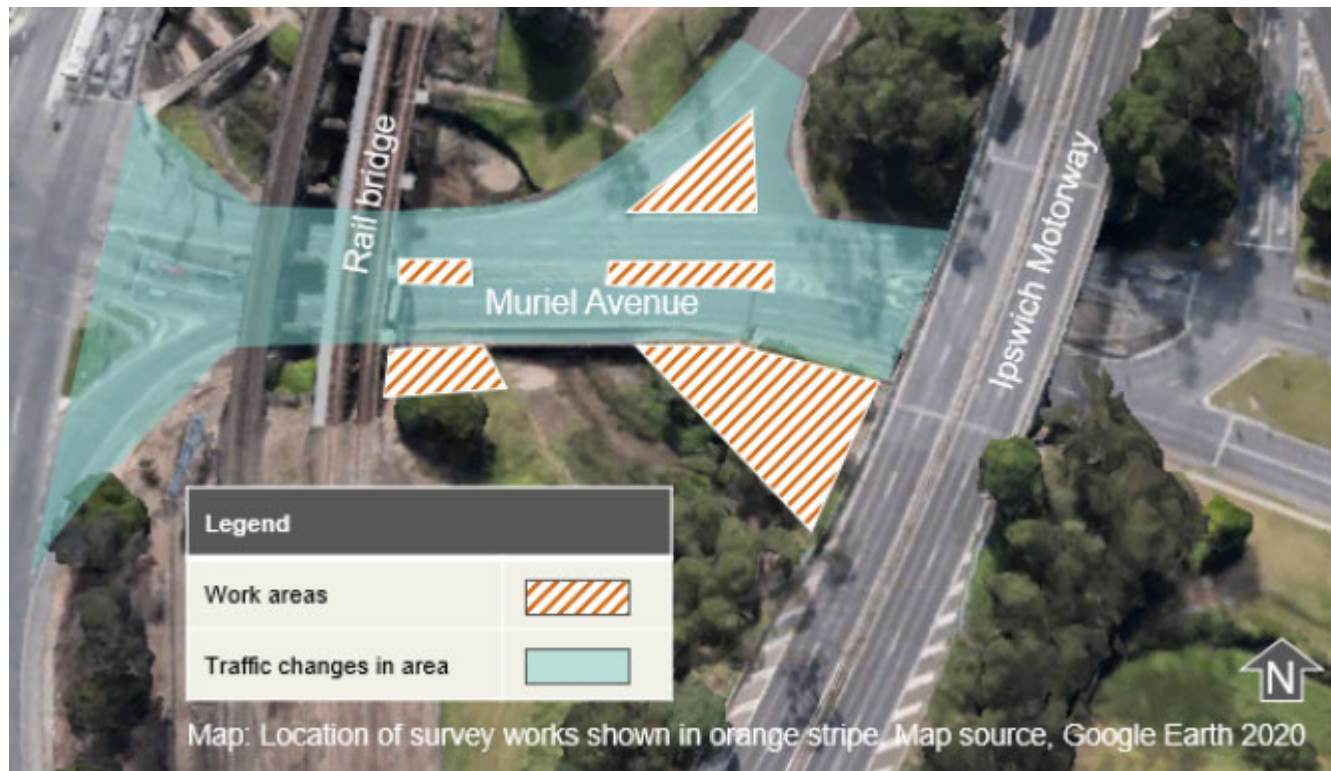

Thursday 9 July 2020

Queensland Rail will carry out survey works on Muriel Avenue from 7pm Thursday 9 July until 5am Friday 10 July.

For safety and traffic management purposes, these works can only be undertaken after hours when there is reduced traffic.

Residents near the works may experience some noise from vacuum trucks, reverse beepers and saw cutters. Mobile light towers will be used. Lane closures will also be required.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we carry out this work.
