

South Bank platform 1 upgrade

WORKS NOTICE

Day, night and weekend works

Monday 6 June to Friday 1 July

As part of the South Bank platform 1 upgrade, Queensland Rail will continue platform works throughout June (weather and construction conditions permitting).

For the safety of our customers and construction workers, some works have been scheduled when there is reduced rail traffic, when platform 1 is temporarily closed or during a planned track closure. Nearby residents may experience some noise associated with construction activity, machinery and truck movements.

Overview of day, night and weekend works

Location	Dates and hours of work	Type of work
South Bank station - platform 1	Weekday works from 6.30am to 6.30pm each day throughout June and on Friday 1 July.
