Morayfield station accessibility upgrade

PROJECT UPDATE – OCTOBER 2018

The Morayfield station accessibility upgrade is part of Queensland Rail's \$300 million program to upgrade stations across the South East Queensland network, making them accessible for all customers.

Project progress

Activities recently undertaken at Morayfield include:

- installation of temporary ticket office and toilet facilities
- opening of temporary ticket office (early October).

Upcoming works

In the near future, customers and the community can expect to see the following works:

- relocation of ticket machine and public telephone to platform 1 (near temporary ticket office) to enable construction works
- contractor site establishment for main construction works
- installation of temporary safety fencing and directional signage throughout site
- minor platform works
- changed station access and pedestrian pathways.

Please take care around the work zones.

Construction impacts

Normal working hours are 6am to 5pm Monday to Saturday. Construction activities may involve:

- noise associated with heavy machinery
- temporary changes to station access paths
- changed traffic and parking conditions
- increased vehicle movements near works
- mobile lighting towers for night works.

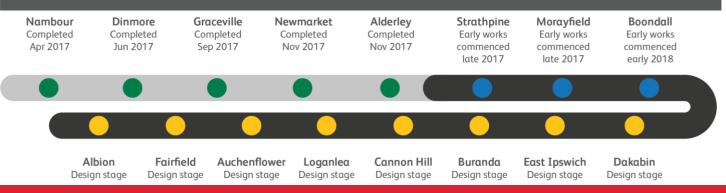

We thank customers and the community for their patience and cooperation during this important project.
