

# Strathpine station accessibility upgrade

PROJECT UPDATE – AUGUST 2018

The Strathpine station accessibility upgrade is part of Queensland Rail's \$300 million program to upgrade stations across the South East Queensland network, making them accessible for all customers.

## Early works to date

Since site establishment in late 2017, early works have included:

- relocation of overhead electrification equipment
- construction of the temporary platform
- some tree clearing in the western carpark.

## Upcoming works

This month, customers and the community can expect to see the following construction activities:

- contractor site establishment
- project compound and safety fencing
- preparations for the temporary footbridge installation (mid-August)
- changes to some parking to enable works.

Please follow all directional signage and take care around the work zones.

## Construction impacts

Normal working hours are 6am to 5pm Monday to Saturday. Construction activities may involve:

- noise associated with heavy machinery
- temporary changes to access paths throughout the station precinct
- changed traffic and parking conditions
- increased vehicle movements near works
- mobile lighting towers for night works.

Queensland Rail thanks customers and the community for their cooperation during this important project.

## Contact us

For more information or to provide feedback:

- Phone: **1800 722 203** (free call)
- Email: **stationsupgrade@qr.com.au**
- Post: **GPO Box 1429, Brisbane QLD 4000**
- Website: **queenslandrail.com.au**

Delivery of Queensland Rail's \$300 million Station Accessibility Upgrade Program will mean about 83% of customers will travel to or from an accessible station.
