

# South Bank platform 1 upgrade

WORKS NOTICE

## Day works

### Monday 28 March to Friday 1 April 2022

As part of the South Bank platform 1 upgrade, Queensland Rail will undertake platform works from **Monday 28 March to Friday 1 April** (weather and construction conditions permitting).

Nearby residents may experience some noise associated with construction activity, machinery and truck movements.

Every effort will be made to minimise disruption and we thank you for your patience while we upgrade platform 1 at South Bank station.

#### Overview of day works

Location	Dates and hours of work	Type of work
South Bank station - platform 1	Weekday works from <b>6.30am to 6.30pm</b> each day on: <ul style="list-style-type: none"><li><b>Monday 28 March to Friday 1 April.</b></li></ul>	Platform footings, structural steel, roofing and plumbing works: <ul style="list-style-type: none"><li>the use of loud hand-held tools and powered equipment, including jackhammers</li><li>installation of structural steel and roof sheeting</li><li>operation of trucks and machinery with flashing lights and reversing beepers, including vacuum excavation truck, excavators with rock breakers, scissor lift and forklift</li><li>movement of personnel and vehicle around the station precinct and platform 1.</li></ul>

The South Bank platform 1 upgrade will improve accessibility for customers, making it easier and safer to use the station and access the connecting retail and residential precinct.
