

Ferny Grove carpark and Kiss 'n' Ride closure

8pm on Friday 27 August

To support the Ferny Grove Transit Oriented Development (TOD), the carpark between Samford Road and the station and the adjacent Kiss 'n' Ride (refer map below) will be closed **8pm on Friday 27 August** until completion of the new multi-story park 'n' ride carpark in late 2022.

There will be changes to traffic conditions within the station precinct, following the closure of the carpark and the kiss 'n' ride. Please look out for and follow directional signage in place when you visit the station.

If you normally use the Ferny Grove park 'n' ride, please consider getting dropped off at the station via the kiss 'n' ride facility off Conavalla St, catching a bus service between your home and the station, or walking or riding your bicycle/e-scooter to the station. Please refer to the map below for closure details, station changes and alternative kiss 'n' ride locations.

- Carpark closure & Kiss 'n' Ride
- Alternative Kiss 'n' Ride
- Closed Kiss 'n' Ride
