

Night works - Lindum station

UPDATED

What?

Queensland Rail's traffic management contractor will be attending Lindum station to temporarily close a section of the North Road carpark to support preliminary works for the station accessibility upgrade.

Personnel will close a section of carpark to facilitate the removal of site facilities and project equipment. Carpark closure activities are not expected to be noisy.

Due to ground conditions encountered, this after hours activity has been rescheduled from the works recently notified (removal of site facilities were originally planned for Tuesday 24 October).

When?

Personnel will be **on site from 4am** to close a section of the North Road carpark on:

- **Thursday 26 October** (revised date for after hours activity).

Where?

Work will occur at Lindum station, North Road carpark.

Impacts

Personnel in the carpark setting up bollards

Night and early morning activity

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your understanding as we undertake these important investigations. Works may be subject to change due to weather conditions and operational requirements.
