

South Bank platform 1 upgrade

View towards Vulture Street (concept design only - subject to change)

WORKS NOTICE

Works notice - night works

Wednesday 20 October 2021

As part of the South Bank platform 1 upgrade, Queensland Rail will deliver equipment and materials to site on **Wednesday 20 October** (weather and construction conditions permitting).

For the safety of our customers and construction workers, this activity has been scheduled when rail traffic does not operate.

Nearby residents may experience some noise associated with the unloading of equipment and material, and truck movements.

Every effort will be made to minimise disruption and we thank you for your patience while we upgrade platform 1 at South Bank station.

Overview of night works

Location	Date and hours of work	Type of work
South Bank station platform 1	From 1am to 4am on Wednesday 20 October	Unloading of equipment and material including: <ul style="list-style-type: none">operation of trucks on Vulture Street with flashing lights and reversing beepersmovement of personnel between Vulture Street and the ramp to platform 1.
Ramp between platform 1 and Vulture Street		

The South Bank platform 1 upgrade will improve accessibility for customers, making it easier and safer to use the station and access the connecting retail and residential precinct.
