

South Bank platform 1 upgrade

WORKS NOTICE

Night and weekend works

February 2022

As part of the South Bank platform 1 upgrade, Queensland Rail will undertake platform works throughout February (weather and construction conditions permitting).

For the safety of our customers and construction workers, these works have been scheduled when there is reduced rail traffic, when platform 1 is temporarily closed or during a planned track closure. Nearby residents may experience some noise associated with construction activity, machinery and truck movements.

A single lane closure will be in place on Tribune Street, South Brisbane to assist with construction works occurring over weekends (see table below for details).

Every effort will be made to minimise disruption and we thank you for your patience while we upgrade platform 1 at South Bank station.

Overview of night and weekend works and deliveries

Location	Dates and hours of work	Type of work
South Bank station - platform 1	Continuous weekend works from 6.30pm Fridays to 4.30am Mondays : <ul style="list-style-type: none">Friday 4 to Monday 7 FebruaryFriday 11 to Monday 14 FebruaryFriday 18 to Monday 21 FebruaryFriday 25 to Monday 28 February.
