

## Coomera to Helensvale Duplication

### Night works and road closures – Hope Island Road

October 2016

Queensland Rail is duplicating the final section of single track on the Gold Coast line, between Coomera and Helensvale stations. The Coomera to Helensvale Duplication involves construction of 8.2 kilometres of track and eight rail bridges, installing overhead electrification and signalling systems, and replacing 3.8 kilometres of timber barrier fencing.

**From Saturday 22 October 2016, night works will commence to install structures on the new rail bridge over Hope Island Road, Helensvale. This involves a full closure of Hope Island Road near the rail bridge on selected nights between 22 and 26 October, weather permitting.**

During the road closure, motorists are advised to use the detours provided via Monterey Keys Drive, Helensvale Road and Siganto Drive. These works must be undertaken at night when traffic volumes are lowest.

#### Overview of work

Location	Dates and hours of night works	Type of work
Hope Island Road near rail bridge	<ul style="list-style-type: none"><li>• Saturday 22 October, 8pm – 6am</li><li>• Sunday 23 October, 8pm – 6am</li><li>• Monday 24 October, 8pm – 6am</li><li>• Tuesday 25 and Wednesday 26 October 8pm – 5am (if required due to wet weather on previous nights)</li></ul>	<ul style="list-style-type: none"><li>• Full road closure on Hope Island Road near rail bridge. Detours provided via Monterey Keys Drive, Helensvale Road and Siganto Drive.</li><li>• Lifting and installing bridge structures on the new Hope Island Road rail bridge</li><li>• Use of large equipment, machinery (including cranes) and vehicles</li><li>• Use of mobile lighting towers</li></ul>
	<ul style="list-style-type: none"><li>• Thursday 27 and Friday 28 October 8pm – 6am</li><li>• Sunday 30 October – Friday 4 November 8pm – 6am</li></ul>	<ul style="list-style-type: none"><li>• Single-lane closure on Hope Island Road near rail bridge, if required</li><li>• Finalising installation of bridge structures</li><li>• Use of large equipment, machinery (including cranes) and vehicles</li><li>• Use of mobile lighting towers</li></ul>

Residents and businesses located near this area may experience noise and lighting associated with the construction activities, as well as minor traffic delays during road closures.

For the safety of motorists, workers and the community, traffic control will be in place to direct road users and pedestrians via the alternative route. Access to local properties will be maintained at all times.

Queensland Rail apologises for any inconvenience and appreciates the local community's cooperation during these important works.
