CROSSRIVERRAIL | UNITY

Fairfield station concept design

As part of the Cross River Rail Project, six stations from Fairfield to Salisbury will be upgraded to improve access and functionality.

Get involved and have your say

We'd like your feedback to help further develop the Fairfield station concept design. The concept design public comment period finishes on **Friday 7 February 2020**.

Community drop-in session

We will be holding community drop-in sessions to enable you to meet the team, ask questions and provide feedback. Drop in any time at the sessions below:

Fairfield Gardens

180 Fairfield Road, Fairfield
Wednesday 29 January 2020
9:00am until 5:30pm

Cross River Rail Experience Centre

Level 1, 151A Elizabeth Street, Brisbane
Friday 31 January 2020
11:30am until 1:30pm

Online

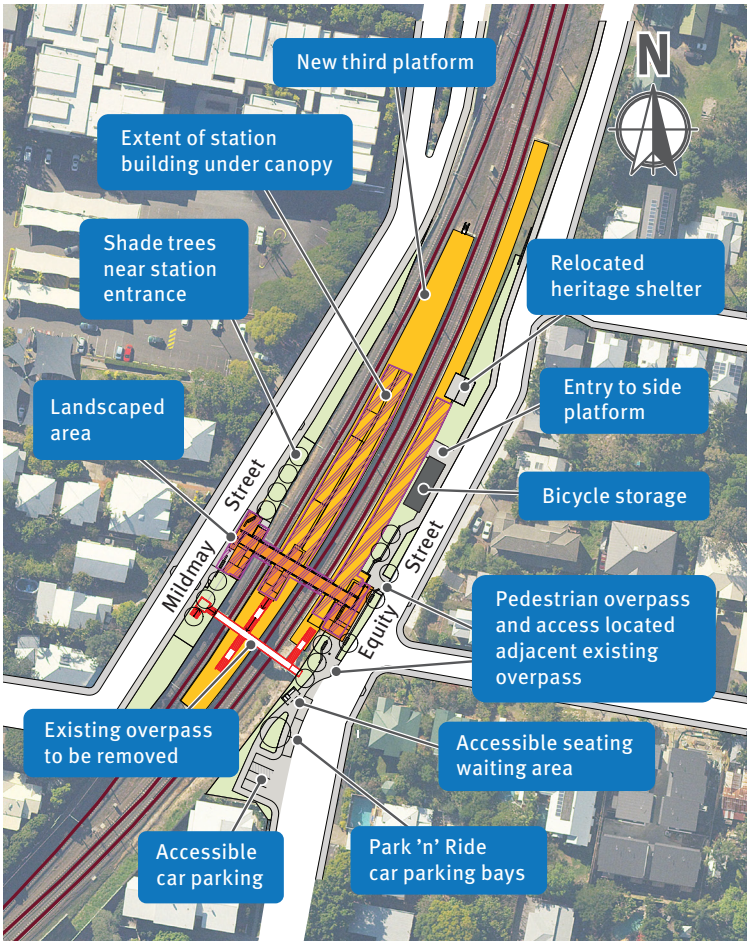
Station features

Features of the Fairfield station include:

- An additional third platform
- A new station building
- An upgrade to the existing platform
- New overpass and vertical transport system including three lifts and stairs
- Architectural design that considers the surrounding residential areas
- The new overpass, stairs and lifts will improve access to the centre of the platforms
- Provision for accessible parking within the car park
- Relocate and retain heritage shelter
- Existing side platform entry from Equity Street to be retained.



Current status

Early works are continuing including geotechnical investigations, survey, environmental monitoring and preparing the detailed design for construction. Major construction at Fairfield station is scheduled to start in mid-2020.

Project information

The UNITY Alliance consists of the Cross River Rail Delivery Authority, Queensland Rail, CPB Contractors, UGL, AECOM and Jacobs.

The UNITY Alliance will design, supply and install the supporting rail system and integration of Cross River Rail into Queensland Rail's train network.

The UNITY Alliance will also deliver new stabling facilities at Mayne Yard and upgrades to Exhibition, Fairfield, Yeronga, Yeerongpilly, Moorooka, Rocklea and Salisbury stations.
