

# Ipswich station temporary lift closure

## From Wednesday 7 April 2021

Queensland Rail is working to improve accessibility at Ipswich station.

From Wednesday 7 April, for approximately four months, both lifts to the platforms at Ipswich station will be closed while upgrade works are carried out.

During this time the ramps will remain open. However, if you are unable to use the ramps, please disembark at Dinmore and speak to station staff for assistance or call **13 16 17** or text **0428 774 636**.

We apologise for any inconvenience and appreciate your patience while works are underway to improve your station.
