

Northgate QPS outpost August 2018 to early 2019

Queensland Rail is committed to improving the safety and security of our network to ensure our customers feel safe on our trains and at our stations. We are building a new Queensland Police Service outpost at Northgate station to enhance security on the inner northern lines.

Work will commence in mid-August 2018 and is expected to be completed in early 2019, weather and construction conditions permitting.

Overview of work

Location	Dates and hours of work	Type of work and impacts
Northgate station	<p>From Monday 13 August 2018 until early 2019</p> <p>6am to 5pm (Monday to Saturday)</p> <p>Some weeknight and Sunday works may occur during the construction period.</p>	<ul style="list-style-type: none">• Construction of a new Queensland Police Service outpost on the station side of Ridge Street• Use of equipment including hand tools and heavy machinery with reversing beepers• Construction of temporary ramp access to the station on the station side of Ridge Street• Temporary closure of a section of the carpark on the station side of Ridge Street for materials and machinery storage.

Every effort will be made to carry out these works with minimal disruption and we apologise to our customers and the community for any inconvenience. We appreciate your patience as we work to improve the safety of your network.
