

Gold Coast Stations Renewal

Nerang station

August/September update

Queensland Rail is refurbishing its six Gold Coast stations ahead of the Commonwealth Games. This is part of a \$10 million project which will deliver more modern, safe and comfortable facilities for our customers.

Project update

Works are scheduled to begin in October at Nerang station. Customers can expect to see the following upgrades:

- Fresh repaint of station buildings and platforms
- Improved signage
- Enhanced customer information.
