

# Gold Coast Stations Renewal

## Ormeau station

### August/September update

Queensland Rail is refurbishing its six Gold Coast stations ahead of the Commonwealth Games. This is part of a \$10 million project which will deliver more modern, safe and comfortable facilities for our customers.

### Project progress

The following works at Ormeau have been completed:

- Fresh repaint of the platforms
- Relocation of the ticket office to outside the station entrance while the ticket office and staff facilities are upgraded.
- Installation of new electrical switchboards
- Footbridge upgrade including new mesh and tiling
- Station building refurbishment.

### Upcoming work

During August and September, customers can expect to see the following works:

- Upgrades to lighting in the carpark, station buildings and platforms
- Upgrades to CCTV throughout the station precinct, including carparks and entry and exit points
- Upgrades to public amenities
- Opening of the new ticket office
- tiling works to the stairs
- Installation of a new ceiling over the footbridge
- New cladding to the exterior of the station.
