

Gold Coast Stations Renewal

Robina station

August/September update

Queensland Rail is refurbishing its six Gold Coast stations ahead of the Commonwealth Games. This is part of a \$10 million project which will deliver more modern, safe and comfortable facilities for our customers.

Project progress

The following works have been completed:

- Fresh repaint of the platforms
- Relocation of the ticket office to outside the station entrance in preparation for upgrades to ticket office and staff facilities.

Upcoming work

In the coming weeks, customers can expect to see:

- Upgrades to public amenities
- Repaint of the entry and concourse areas
- Refurbishment of the station office.
