

Gold Coast Stations Renewal

Coomera station

October/November update

Queensland Rail is refurbishing its six Gold Coast stations ahead of the Commonwealth Games. This is part of a \$10 million project which will deliver more modern, safe and comfortable facilities for our customers.

Project progress

The following works at Coomera have been completed:

- new tiling in the subway and foyer
- upgrade to toilet facilities
- new cladding to the exterior of the station
- new concreting to the front of the station
- installation of a new ceiling in the subway and foyer.

Upcoming work

In the coming weeks, customers can expect to see the following works:

- opening of the new ticket office in late October
- upgrades to CCTV across the station precinct, including carparks, station buildings and platforms
- upgrades to lighting at the station and station carparks.

Keeping you informed

For more information on this project, please contact Queensland Rail on **13 16 17** (7.15am – 5pm Monday – Friday) or email communityengagement@qr.com.au or visit queenslandrail.com.au.
