

Gold Coast Stations Renewal

Nerang station

October/November update

Queensland Rail is refurbishing its six Gold Coast stations ahead of the Commonwealth Games. This is part of a \$10 million project which will deliver more modern, safe and comfortable facilities for our customers.

Project update

Works are scheduled to begin in October at Nerang station.

Customers can expect to see the following works:

- upgrades to fencing
- installation of new lighting
- repairs to pavers and concrete areas
- renovation of the toilet facilities.

During this time, temporary toilet facilities will be located in the lower concourse area.

Keeping you informed

For more information on this project, please contact Queensland Rail on **13 16 17** (7.15am – 5pm Monday – Friday), email communityengagement@qr.com.au or visit queenslandrail.com.au
