

# Frederick Street bridge replacement

## Project update June 2023

Queensland Rail is planning to make major progress towards completing the bridge in mid-2023, weather and construction conditions permitting.

Earth works to complete the approaches on both sides of the bridge will start from Monday 19 June and will take place between 6am and 6pm Monday to Saturday (see map on back).

There will be night works from 6pm on Sunday 25 June to 6am on Monday 26 June. We will undertake overhead infrastructure works within the rail corridor during this planned track closure.

Buses will replace trains between Bowen Hills and Ferny Grove station from 7.30pm.

For safety, and to store equipment, the following road or lane closures are required:

- **Mina Parade** - 6am to 6pm Monday to Saturday from 19 June to mid-July (lane closure)
  - 11pm Saturday 24 June to 6pm Sunday 25 June (lane closure)
  - 6pm Sunday 25 June to 6am on Monday 26 June (road closure)
- **Frederick Street** - 6am to 6pm Monday to Friday from 19 June to early July (road closure)

Queensland Rail will also remove some vegetation between 6pm on Thursday 22 June and 6am on Friday 23 June on the Frederick Street side in the area where the bridge needs to be placed.

Every effort will be made to carry out these works with respect for our valued neighbours. We apologise for any inconvenience and thank you for your patience as we build your bridge.

**Impacts**

Machinery and construction noises

Bright flashing lights

Vegetation removal

Road and lane closures

Day and night works
