

Cannon Hill station accessibility upgrade

WORKS NOTICE

Night and after hours works - scheduled track closure

Saturday 13 to Monday 15 February 2021

As part of the Cannon Hill station accessibility upgrade, Queensland Rail will undertake night and after hours works from **12.30am Saturday 13 to 4am Monday 15 February** (weather and construction conditions permitting).

Works will involve the installation of pavers on the assisted boarding points of both platforms.

Nearby residents may experience some noise associated with construction activity and the operation of powered tools on the station platforms.

For the safety of workers and to maintain rail services, these works will occur during the scheduled inner city weekend track closure (extending to Murarrie), when buses will replace trains.

Every effort will be made to minimise disruption and inconvenience as we work to improve your station.

Overview of night works

Location	Dates and hours of work	Type of work
Cannon Hill station - platform 1 and 2	<ul style="list-style-type: none">12.30am Saturday 13 to 4am Monday 15 February	Station upgrade works involving: <ul style="list-style-type: none">installation of pavers on the assisted boarding points on platform 1 and 2use of powered tools and hand-held equipmentmovement of personnel and vehicles around the station precinct and rail corridor.

The Cannon Hill station accessibility upgrade is part of the State Government's ongoing investment of more than \$500 million to upgrade stations across the South East Queensland network, making them more accessible for customers.

For more information about the upgrade, please contact the project's community team during business hours on **1800 722 203** (free call) or email stationsupgrade@qr.com.au
