

Boondall station accessibility upgrade

WORKS NOTICE

Night and weekend works – scheduled track closure

Saturday 16 and Sunday 17 February 2019

As part of the Boondall station accessibility upgrade, weekend works will be undertaken at the station on **Saturday 16 and Sunday 17 February 2019**.

These works are being undertaken during a scheduled track closure, when the station is closed and rail replacement buses will operate.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used during night works.

Works include drilling (bored piling) deep into the ground to form the foundations for the raised platforms. The platform surface disturbed by works will be reinstated to ensure the platform is ready for customers on Monday morning.

For the safety of the public during the station and track closure, there will be no pedestrian access through the station precinct, including the carpark, and the footbridge will be closed.

Scheduled night/weekend work

Location	Dates and hours of work	Type of work
Boondall station	<ul style="list-style-type: none">Saturday 16 February, 6am to 8pmSunday 17 February, 6am to 2am* (the next day) <p><i>* Piling works completed Sunday night, with site clean-up until midnight, site vacated by 2am.</i></p>	Station upgrade works involving: <ul style="list-style-type: none">heavy machinery and trucks with flashing lights and reversing beepershand-held tools and powered equipmentmovement of personnel and vehicles around the station precinctportable lighting towers at night.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we work to improve your station.

The Boondall station accessibility upgrade is part of Queensland Rail's \$300 million program to upgrade stations across the South East Queensland network, making them accessible for all customers. For more information about the accessibility upgrade, please contact the project's community team during business hours on **1800 722 203** (free call) or email stationsupgrade@qr.com.au

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at queenslandrail.com.au/EmailNotification or contact us if you prefer to receive paper copies.
