

Boondall station accessibility upgrade

WORKS NOTICE

Night and weekend works – scheduled track closure

1am Saturday 1 to 4am Monday 3 June 2019

As part of the Boondall station accessibility upgrade, continuous works will be undertaken at the station from **1am Saturday 1 to 4am Monday 3 June 2019**.

These works are being undertaken during a scheduled track closure, when there is no rail traffic and the overhead power is switched off. During this time, rail replacement buses will operate from the TransLink bus stop on Aberdeen Parade.

For the safety of the public during the station and track closure, there will be no public pedestrian access to the work zones throughout the station precinct. The footbridge will remain open to pedestrians crossing the rail corridor.

Aberdeen Parade will open to through traffic, under traffic control measures. Motorists, pedestrians and cyclists should observe the changed traffic conditions and follow the instructions of the traffic controller.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used during night works.

Scheduled night/weekend work

Location	Dates and hours of work	Type of work

Queensland Rail Limited ABN 71 132 181 090

Every effort will be made to minimise disruption and we apologise for any inconvenience as we work to improve your station.

Queensland Rail's Boondall station accessibility upgrade is part of the program to upgrade stations across the South East Queensland network, making them accessible for all customers.

For more information about the accessibility upgrade, please contact the project's community team during business hours on **1800 722 203** (free call) or email stationsupgrade@qr.com.au

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at queenslandrail.com.au/EmailNotification or contact us if you prefer to receive paper copies.
