

Graceville station accessibility upgrade

Project update – August 2017

The Graceville station accessibility upgrade is expected to be completed in late-2017, weather and construction conditions permitting.

Project progress

The following construction activities were recently undertaken at Graceville:

- reopening of Honour Avenue and Appel Street footpaths and street parking
- recommencement of train services from platform 1 following upgrade works
- lighting upgrades
- subway flooring upgrade and hoarding removal.

Upcoming work

In the coming weeks, customers and the community can expect to see the following construction activities:

- CCTV upgrades
- lift testing and commissioning
- painting.

Construction impacts

Customers, residents and businesses adjacent to Graceville station may experience:

- noise associated with heavy machinery
- use of reversing beepers
- changed traffic and parking conditions
- mobile lighting towers for night works
- increased vehicle movements near works
- temporary changes to access paths throughout the station precinct.

Residents and other stakeholders will be given advance notification of construction activities likely to cause impacts, including after hours work (nights and Sundays, as required).

Please take care around the work zones.

Keeping you informed
