

Graceville station accessibility upgrade

Project update – July 2017

The Graceville station accessibility upgrade is expected to be completed in late-2017, weather and construction conditions permitting.

Project progress

The following construction activities were recently undertaken at Graceville:

- station building works
- final platform-raising works on platform 2
- footpath and kerb upgrade works on Appel Street and Honour Avenue
- lift installation works
- ongoing awning works over ramps
- new accessible toilet completed.

Upcoming work

In the coming weeks, customers and the community can expect to see the following construction activities:

- ongoing installation of awnings and structures
- ongoing subway and ramps upgrade works
- installation and commissioning of lifts
- painting.

Residents and other stakeholders will be given advance notification of construction activities likely to cause impacts, including after hours work (nights and Sundays, as required).

Subway ramp with new awning.

Construction impacts

Customers, residents and businesses adjacent to Graceville station may experience:

- noise associated with heavy machinery
- use of reversing beepers
- mobile lighting towers for night works
- changed traffic and parking conditions
- increased vehicle movements near works
- temporary changes to access paths throughout the station precinct.

Pedestrians and motorists are advised to follow all directional signage during this time.

Please take care around the work zones.

Keeping you informed
