

# Morayfield station accessibility upgrade

WORKS NOTICE

## Night works – station building and platform shelter canopies

Monday 22 to Friday 26 July 2019

As part of the Morayfield station accessibility upgrade, night works will be undertaken at the station from **Monday 22 to Friday 26 July**, between **8pm and 4am** the next day (this has been rescheduled from works previously notified in June).

Due to the nature of these works, and to ensure the safety of workers and customers, activity has been scheduled after hours, when there are fewer people around the station precinct and reduced rail traffic on the line.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used during night works.
