

Morayfield station accessibility upgrade

WORKS NOTICE

Night works – station building and platform shelter canopies

Monday 24 to Friday 28 June 2019

As part of the Morayfield station accessibility upgrade, night works will be undertaken at the station from **Monday 24 to Friday 28 June**, between **8pm and 4am** the next day.

Due to the nature of these works and for the safety of workers and the public, these works have been scheduled after hours, when there are fewer customers around the station precinct and reduced rail traffic on the line.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used during night works.

Scheduled night work

Location	Dates and hours of work	Type of work
Morayfield station	<ul style="list-style-type: none">Monday 24 to Friday 28 June 8pm to 4am the next day (over 5 nights)	Station upgrade works involving: <ul style="list-style-type: none">large crane operationheavy machinery and trucks with flashing lights and reversing beepershand-held tools and powered equipmentmovement of personnel and vehicles around the station precinctportable lighting towers at night.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we work to improve your station.

Queensland Rail's Morayfield station accessibility upgrade is part of the program to upgrade stations across the South East Queensland network, making them accessible for all customers.

For more information about the accessibility upgrade, please contact the project's community team during business hours on **1800 722 203** (free call) or email stationsupgrade@qr.com.au

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at queenslandrail.com.au/EmailNotification or contact us if you prefer to receive paper copies.
