

# Nambour station accessibility upgrade

## Noise notice – Day work September 2016

As part of the Nambour station accessibility upgrade, **demolition and excavation works** will occur **over approximately four days** between **Thursday 15 September to Saturday 24 September 2016**, between the hours of 7am and 5pm.

### Scheduled day works

Location	Dates and hours of work	Type of work
Nambour station	<ul style="list-style-type: none"><li><b>Thursday 15 to Saturday 24 September 2016</b> <b>7am to 5pm</b></li></ul> <p>(approximately 4 days out of the 10-day period will involve noisy demolition works)</p> <p>Note: Noisy activities will not be continuous and represent only 4-5 hours of the working day.</p>	<ul style="list-style-type: none"><li>Demolition of concrete structures using 5-tonne excavator fitted with hydraulic rock-breaker attachment to break concrete into manageable pieces for removal from site</li><li>Use of machinery and hand tools</li><li>Movement of construction vehicles with reversing beepers.</li></ul>

During these works, traffic management controls will be in place on Civic Way.

Residents and businesses adjacent to Nambour station will experience some noise and ground vibrations during excavator operations and demolition works.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.

Queensland Rail apologises for any inconvenience and appreciates the local community's cooperation during these important works.

### Keeping you informed

Queensland Rail is committed to keeping stakeholders and the community informed about this project. For more information, please contact the Stakeholder Engagement team on **1800 722 203** (free call), email **stationsupgrade@qr.com.au** or visit **www.queenslandrail.com.au**
