

Nambour station accessibility upgrade

Night works – September 2016

As part of the Nambour station accessibility upgrade, works will be undertaken each night from **Friday 23 September** to **Sunday 25 September 2016**, between the hours of **7pm and 6am** the next morning.

Works will include the delivery and installation of roofing components to the new platform awning as well as installation of pole lights and some painting on the platform.

To enable delivery and unloading of materials, traffic management controls will be in place on Civic Way during night works.

Scheduled night works

Location	Dates and hours of work	Type of work
Nambour station	<ul style="list-style-type: none">• Friday 23 September• Saturday 24 September• Sunday 25 September <p>(over 3 nights, 7pm to 6am the next morning)</p>	<ul style="list-style-type: none">• Transport of materials from Civic Way to the platform• Installation of roofing materials to the new platform awning• Installation of pole lights (southern end of the platform)• Painting of existing copes and soffits to the platform• Use of cranes, large equipment, machinery, light towers, hand tools and construction vehicles with reversing beepers.

Residents and businesses adjacent to Nambour station may experience some noise from truck movements and construction activity. Mobile lighting towers will be used during night works.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption. Queensland Rail apologises for any inconvenience and appreciates the local community's cooperation during these important works.
