

Nambour station accessibility upgrade

Night works – February 2017

As part of the Nambour station accessibility upgrade, **electrical mains supply changeover** will occur on **Friday 17 February, between the hours of 2am and 4am.**

Works will include the changeover of the Nambour station mains electrical supply in the western car park off Price Street.

Scheduled night works

Location	Dates and hours of work	Type of work
Nambour station	<ul style="list-style-type: none">Friday 17 February 2017, 2am-4am	<ul style="list-style-type: none">Changeover and commissioning of the electrical mains supply to Nambour stationUse of hand tools and construction vehicles with reversing beepersSet-up and use of lighting for the work area and around the station.

Residents and businesses adjacent to Nambour station may experience some noise from truck movements and construction activity. Mobile lighting towers will be used during night works.

Queensland Rail is aware that such operations may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption. Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.
