

Nambour station accessibility upgrade

Night works – March 2017

As part of the Nambour station accessibility upgrade, **station building roofing works** will be undertaken overnight **from 11pm on Saturday 18 to 6am Sunday 19 March 2017**.

Works will include the installation of roof sheeting and finishes to the existing station building and new toilet facilities.

Scheduled night works

Location	Dates and hours of work	Type of work
Nambour station	<ul style="list-style-type: none">11pm Saturday 18 to 6am Sunday 19 March 2017 <p>(overnight)</p>	<ul style="list-style-type: none">Installation of roofing finishes to existing station building and new amenities blockUse of hand tools and construction vehicles with reversing beepersUse of lighting towers to light work areas and sections of the station.

Residents and businesses adjacent to Nambour station may experience some noise from truck movements and construction activity. Mobile lighting towers will be used during night works.

Every effort will be made to carry out these works with minimal disruption.

Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.

Keeping you informed

The Nambour station accessibility upgrade is part of Queensland Rail's \$212 million upgrade program. These upgrades will significantly improve access to the stations for all customers including those with disabilities, the elderly, parents with prams, people with injuries or those carrying luggage.
