

# Strathpine station accessibility upgrade

WORKS NOTICE

## Night and weekend works – temporary footbridge removal

**6pm Saturday 2 to 4pm Sunday 3 November 2019**

As part of the Strathpine station accessibility upgrade, night and weekend works will be undertaken from **6pm Saturday 2 to 4pm Sunday 3 November 2019**.

These works can only be undertaken at night when there is no rail traffic and the overhead power is switched off.

The western carpark and a small section of the eastern carpark will be closed during these weekend works. Cross-corridor pedestrian access will be maintained through the carpark to the station's new footbridge (stair-only access) and South Pine Road level crossing. Please follow directional signage and take care around the work zones.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used, as required, during night works.

### Scheduled night/weekend work

Location	Dates and hours of work	Type of work

Every effort will be made to minimise disruption and we apologise for any inconvenience as we work to improve your station.

The Strathpine station accessibility upgrade is part of the State Government's \$357 million program to upgrade stations across the South East Queensland network, making them accessible for all customers.

For more information about the accessibility upgrade, please contact the project's community team on free call **1800 722 203** or email [stationsupgrade@qr.com.au](mailto:stationsupgrade@qr.com.au)

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at [queenslandrail.com.au/EmailNotification](http://queenslandrail.com.au/EmailNotification) or contact us if you prefer to receive paper copies.
