

# Strathpine station accessibility upgrade

WORKS NOTICE

## Night and weekend works

### 6am Saturday 23 to 4am Monday 25 March 2019

As part of the Strathpine station accessibility upgrade, continuous works will be undertaken at the station from **6am Saturday 23 to 4am Monday 25 March 2019**.

Due to the nature of these activities and for the safety of customers and project workers, these works must be carried out outside of peak services or at night when there is no rail traffic.

The station, carparks and temporary stair-only footbridge will be open as usual throughout the weekend.

Platform 1 will be closed for construction from 6am on Saturday 23 March. Some services may arrive/depart on different platforms. Customers are advised to follow directional signage or see station staff for assistance.

Platform 2/3 is currently accessible by stairs only. Customers unable to use stairs should see station staff who will assist with alternative transport arrangements.

Residents near the station may experience some noise associated with construction activity and truck movements. Mobile lighting towers will be used, as required, during night works.
