

Night works – Morayfield station

February 2021, 11pm to 5am (selected nights)

Queensland Rail is undertaking platform works, including the cleaning and sealing of pavers at Morayfield station, **between 11pm and 5am** the next day **on selected nights in February 2021**.

Because of the location of works, for safety these activities can only occur after hours when there is reduced rail traffic and fewer customers around the station precinct.

While work noise is not expected to be excessive, nearby residents may experience some noise associated with the use of mechanical cleaning equipment.

Overview of work

Location	Dates and hours of work	Type of work
Morayfield station – platforms and carparks	11pm to 5am the next day on: <ul style="list-style-type: none">• Friday 5 February• Monday 8 February• Tuesday 9 February• Wednesday 10 February (over 4 separate nights)	Platform cleaning and paver sealing, including: <ul style="list-style-type: none">• use of cleaning equipment, machinery and hand-held tools• workers around the station precinct• increased movement of vehicles around the station, including trucks with flashing lights and reversing beepers• use of lighting at night.
