

Coomera to Helensvale Duplication

Pedestrian pathway closure

June 2016

Queensland Rail is duplicating the final section of single track on the Gold Coast line, between Coomera and Helensvale stations.

The Coomera to Helensvale Duplication involves duplicating 8.2 kilometres of track and eight rail bridges, installing overhead electrification and signalling systems, and replacing 3.8 kilometres of timber barrier fencing.

From mid-June 2016, the pedestrian pathway extending under the rail bridge between Corinda Court and Urangan Court, Helensvale, will be closed due to construction works.

For the safety of community members and project workers, access around the work zone is restricted. Safety is Queensland Rail's number one priority.

The pathway will be closed for the duration of construction of the duplicated rail bridge, which is expected to be completed in late January 2017, weather and construction conditions permitting.

Overview of work

Location	Dates of work	Type of work
Pedestrian pathway between Corinda Court and Urangan Court	Mid-June 2016 to late January 2017	<ul style="list-style-type: none">• Closure of pedestrian pathway• Temporary fencing to close off pathway• Construction of the duplicated rail bridge

Queensland Rail apologises for any inconvenience and thanks the local community for their cooperation during these important works.
