

# Auchenflower station accessibility upgrade

WORKS NOTICE

## Night works – overhead line and signalling activities

### September/October 2020

As part of the Auchenflower station accessibility upgrade, Queensland Rail will undertake supporting overhead line and signalling infrastructure works on **selected nights in September and October 2020** (weather and construction conditions permitting).

The overhead line infrastructure work on **Monday 21 September** is in addition to the September nights previously notified (see below). Signalling infrastructure works will be undertaken over five nights from **Sunday 11 to Thursday 15 October**. These works have been scheduled at night, when there is reduced rail traffic and the power to the overhead lines is switched off.

Residents near the station may experience some noise associated with construction activity, the operation of machinery and the movement of vehicles and equipment around the work zone.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we build you a better Auchenflower station.

#### Overview of night works

Location	Dates and hours of work	Type of work
Auchenflower station, carpark and rail corridor	<b>9pm to 5am</b> the next day on:	Overhead infrastructure and signalling works involving:
Eagle Terrace (near carpark)	<ul style="list-style-type: none"><li><b>Thursday 17 September</b></li><li><b>Sunday 20 September</b> (nights previously notified)</li></ul>	<ul style="list-style-type: none"><li>installation of steel masts and overhead line equipment and removal of old masts</li><li>operation of a large crane, trucks, on-track vehicles and machinery with flashing lights and reversing beepers (21 September)</li></ul>

Queensland Rail Limited ABN 71 132 181 090

**Novel Coronavirus (COVID-19)** – Queensland Rail is committed to keeping essential rail services operating for Queenslanders during this challenging time and to do this, network maintenance and critical capital works must continue. To support workforce safety, Queensland Rail has implemented a number of additional control measures related to COVID-19 management. We will continue to take the necessary precautions to ensure the ongoing health and wellbeing of our team and the communities in which we operate.

The Auchenflower station accessibility upgrade is part of the State Government's \$357 million investment to upgrade stations across the South East Queensland network, making them accessible for all customers.
