

Auchenflower station accessibility upgrade

WORKS NOTICE

Night works – platform activities

Monday 27 to Thursday 30 April 2020

The program of early works in preparation for the Auchenflower station accessibility upgrade continues with platform works over four nights from **Monday 27 to Thursday 30 April, between 8pm and 4am** the next day (weather and construction conditions permitting).

For the safety of workers and the public, these works have been scheduled after hours, when there is reduced rail traffic and no customers on the platforms.

Residents near the station may experience some noise associated with construction activity and the operation of heavy equipment within the work zone.

Every effort will be made to minimise disruption and we apologise for any inconvenience as we undertake these works.

Overview of night works

Location	Dates and hours of work	Type of work
Auchenflower station, carpark and rail corridor Rail corridor access gate (Auchenflower Terrace)	From 8pm to 4am the next day on: <ul style="list-style-type: none">Monday 27 to Thursday 30 April (over 4 nights)	Platform works involving: <ul style="list-style-type: none">Operation of heavy equipment including a vacuum excavator, concrete drill, jackhammers and compaction equipmentoperation of machinery and trucks with flashing lights and reversing beepershand-held tools and powered equipmentmovement of personnel and vehicles around the station and in the rail corridorportable lighting towers at night.

Queensland Rail Limited ABN 71 132 181 090

The Auchenflower station accessibility upgrade is part of the State Government's \$357 million investment to upgrade stations across the South East Queensland network, making them accessible for all customers.
