

# Auchenflower station accessibility upgrade

WORKS NOTICE

## Upgrade early works (after hours)

### November 2019

In preparation for the Auchenflower station accessibility upgrade, Queensland Rail will undertake early works after hours on **selected dates in November**, including around-the-clock works during a planned weekend track closure from **5am Saturday 9 to 10pm Sunday 10 November**.

For customer and worker safety, these activities must be carried out after hours, when there is reduced rail traffic on the line. Works may be rescheduled in the event of adverse weather or construction conditions.

Nearby residents may experience noise associated with the use of jackhammers, foundation drilling and the operation of trucks and equipment around the work zone. Every effort will be made to minimise disruption and we apologise for any inconvenience as we undertake these important early works.
