

East Ipswich station accessibility upgrade

WORKS NOTICE

Night works

March 2021

As part of the East Ipswich station accessibility upgrade, Queensland Rail will undertake concrete pours for the new station platforms **between 7pm and 5am** the next day from **Monday 8 to Saturday 13** and again from **Monday 15 to Saturday 20 March**.

Due to the nature and location of these works, activities have been scheduled after hours when there is reduced rail traffic on the line. Dates may be subject to change due to weather and other construction conditions.

Every effort will be made to minimise disturbance wherever possible. We apologise for any inconvenience and appreciate your patience as we undertake these important works.
