

Coomera to Helensvale Duplication

Night works – Helensvale rail corridor

May 2017

On **Thursday 4 May** and (if required) **Friday 5 May 2017**, between **11.30pm and 3.30am the next morning**, night works will be undertaken in the rail corridor between Careel Close and Town Centre Drive, Helensvale, weather and operational factors permitting.

Project workers will be moving heavy rails within the corridor in preparation for track works. Residents located near this area may experience increased night time noise associated with these activities. These activities must be undertaken at night in order to maintain train services.

Scheduled night works

Location	Dates and hours of work	Type of work
Rail corridor between Careel Close and Town Centre Drive, Helensvale	<ul style="list-style-type: none">Thursday 4 May 2017 11.30pm to 3.30am the next morning	<ul style="list-style-type: none">Access to rail corridor by project workers, vehicles and machineryRail traffic in the corridor overnightMoving of rails across the corridorUse of heavy equipment, machinery and vehicles with reversing beepersUse of mobile lighting towers.
	<ul style="list-style-type: none">Friday 5 May 2017 11.30pm to 3.30am the next morning <i>(if required due to weather or operational factors)</i>	

Residents located near this area may also be impacted by the use of lighting at night.

Queensland Rail apologises for any inconvenience caused and appreciates the local community's cooperation during these important works.

Queensland Rail is duplicating the final section of single track on the Gold Coast line, between Coomera and Helensvale stations. The Coomera to Helensvale Duplication involves construction of 8.2 kilometres of track and eight rail bridges, installing overhead electrification and signalling systems, and replacing 3.8 kilometres of timber barrier fencing.

For more information about this project please phone **1800 664 484** (during construction hours), email **C2H@qr.com.au** or visit **queenslandrail.com.au/C2H**
