

Coomera to Helensvale Duplication

Delivery of materials – Coomera

May 2017

In preparation for track works for the new duplicated Coomera to Helensvale line, Queensland Rail will deliver rails to Gateway Court, off Ford Road, Coomera, weather and operational factors permitting.

On **Monday 29, Tuesday 30 and Wednesday 31 May 2017, between 6pm and 6am the next morning**, two large trucks will each night deliver rails to the established laydown area at Gateway Court. The rails will be unloaded by project workers using loaders with reversing beepers and flashing safety lights. This activity must be undertaken at night in order to facilitate the safe movement of the large trucks.

Scheduled night works

Location	Dates and hours of work	Type of work
Gateway Court, (off Ford Road), Coomera	<ul style="list-style-type: none">Monday 29 May 2017, 9pm to 6am the next morning	<ul style="list-style-type: none">Two large trucks delivering rails (arriving at and departing from Gateway Court each night)Use of machinery and vehicles with reversing beepers and flashing safety lightsUnloading of rails and associated activities at Gateway Court laydown areaUse of mobile lighting towers.
	<ul style="list-style-type: none">Tuesday 30 May 2017, 9pm to 6am the next morning	
	<ul style="list-style-type: none">Wednesday 31 May 2017, 9pm to 6am the next morning	

Residents located near this area may experience noise from the arrival of the large trucks and unloading of rails. For safety reasons, reversing beepers, flashing safety lights and mobile lighting towers must be used.

Queensland Rail apologises for any inconvenience and appreciates the local community's cooperation during these important works.

Queensland Rail is duplicating the final section of single track on the Gold Coast line, between Coomera and Helensvale stations. The Coomera to Helensvale Duplication involves construction of 8.2 kilometres of track and eight rail bridges, installing overhead electrification and signalling systems, and replacing 3.8 kilometres of timber barrier fencing.
