

Strathpine station accessibility upgrade

WORKS NOTICE

Piling (foundation) works – western carpark

- Monday 21 to Friday 25 January 2019
- Saturday 26 to Monday 28 January 2019 (if required)

As part of the Strathpine station accessibility upgrade, piling works will be undertaken in the western carpark between **Monday 21 and Friday 25 January**. Piling involves boring (or drilling) deep into the ground and backfilling with steel and concrete to form the foundation for the new footbridge and lift shafts.

Works will be undertaken during regular daytime shifts and are expected to be completed by Friday 25 January. *Saturday 26 to Monday 28 January will be worked only if required, if activities are not completed as expected due to weather or other construction conditions.*

The station will operate as usual and services will be unaffected. For safety, the **western carpark will be closed** from Saturday 19 to Monday 28 January. **Customers are requested to remove vehicles from the western carpark by 9am Saturday 19 January.** The eastern carpark will remain open.

An accessible pedestrian path between Nicol Way and South Pine Road will be maintained at all times and the temporary stair-only footbridge will be open.

We have scheduled these works during the school holiday period when patronage is reduced. Every effort will be made to minimise disruption and we apologise for any inconvenience as we work to improve your station.

Overview of work

Location	Dates and hours of work	Type of work
Strathpine station – western carpark	9am Saturday 19 to 7pm Monday 28 January	Western carpark closed for construction: <ul style="list-style-type: none">• no customer parking (western carpark)• accessible path (between Nicol Way and South Pine Road) open• stair-only temporary footbridge open.

The Strathpine station accessibility upgrade is part of Queensland Rail's \$300 million program to upgrade stations across the South East Queensland network, making them accessible for all customers. For more information about the accessibility upgrade, please contact the project's community team during business hours on **1800 722 203** (free call) or email stationsupgrade@qr.com.au

We are moving towards paperless notifications about noise and works. You will still see paper notices as we transition to the new system. Sign up at queenslandrail.com.au/EmailNotification or contact us if you prefer to receive paper copies.
