

## Coomera to Helensvale Duplication Public holiday works Coomera and Helensvale

September 2017

On **Friday 1 September**, work will be undertaken in the rail corridor between Coomera and Helensvale stations as part of the Coomera to Helensvale Duplication project.

The work requires the use of heavy machinery to conduct modifications to overhead lines, install power supply for signalling systems, conduct earthworks for the construction of rail corridor access roads and track construction works at Helensvale station.

These works must be undertaken on the public holiday to meet scheduling and resourcing requirements for the project.

### Scheduled works (public holiday)

Location	Dates and hours of work	Type of work
Rail corridor between Coomera River and Helensvale station	<b>Friday 1 September</b> 7am to 6pm	<ul style="list-style-type: none"><li>• Access to rail corridor by project workers, vehicles and machinery</li><li>• Rail traffic in the corridor</li><li>• Use of construction machinery and vehicles including reversing beepers and flashing lights</li><li>• Installing power supply for signalling systems</li><li>• Earthworks to construct access tracks</li><li>• Track construction works.</li></ul>

Residents located near the rail corridor in these areas may experience noise and dust associated with these activities.

Queensland Rail apologises for any inconvenience caused and appreciates the local community's cooperation during these important works.

For more information about this project please phone **1800 664 484** (during construction hours), email **C2H@qr.com.au** or visit **queenslandrail.com.au/C2H**
