

## North Johnstone River bridge remediation works September and October 2015

Queensland Rail is undertaking remediation works on the North Johnstone River rail bridge on the North Coast line, approximately one kilometre south of Daradgee. The remediation works are necessary to ensure safe, timely and adequate rail services continue to be provided to the North Coast line between Townsville and Cairns.

Upcoming activities planned for September and October involve site investigations and preparatory works, including property survey and improvements to access roads.

### Overview of work

Approximate date	Activity	Type of work
From 21 September 2015	<ul style="list-style-type: none"><li>Survey railway property boundary along access roads and around bridge site</li></ul>	<ul style="list-style-type: none"><li>Slash long grass</li><li>Surveying</li><li>Vehicle movements</li></ul>

Queensland Rail is aware that works of this nature may cause temporary inconvenience to our valued neighbours. Every effort will be made to carry out these works with minimal disruption.

Residents and landowners likely to be affected will be notified in advance of works being undertaken, including works which may generate excessive noise or occur afterhours.
