

SEQ Rail Stabling Program

Banyo construction update

As part of construction of the Banyo stabling facility, Queensland Rail and CPB Contractors are continuing to undertake works between Bindha and Nudgee stations. The following activities are scheduled to occur each night between **6.30am and 5pm, Monday to Saturday throughout October and into November 2016**, weather and construction conditions permitting.

Activities include:

- Earthworks and ground preparation for the stabling facility access road and carpark
- Installation of associated utility services
- Installation of new fencing along north western access of Banyo station*
- Construction of stabling facility security fence
- Construction of lighting and CCTV pole foundations
- Placing rail, sleepers and ballast.

* To allow these works to occur, access to the **north western end of the Banyo station will be closed to pedestrians from 9am Monday 17 October until 5pm Saturday 5 November 2016**. Pedestrians will be able to access Banyo station via Tufnell Road.

Banyo station carpark closure

As part of upgrades to the Banyo station commuter carpark, underground services and the foundations for new CCTV and lighting will be installed during the October scheduled track closure. To allow these works to occur, vehicle and pedestrian access to the **Banyo station carpark will be closed from 8pm Friday 28 October until 4am Monday 31 October 2016**.

Banyo Memorial Park reinstatement

From Tuesday 1 November 2016, CPB Contractors will commence reinstating the rear park land used as a temporary work and laydown area for the construction of the facility. It is expected this work will take approximately 2-3 weeks and will be undertaken during the project's normal working hours of 6.30am to 5pm, Monday to Saturday. We would like to thank-you for your patience and understanding during our use of the park land.

Further information

If you have any questions, or would like to register for more information, please contact the Project Team on 1800 783 334 (free call) or stabling@qr.com.au.

During out of hours activities CPB Contractors can be reached on 1800 783 334 (press 1).

Visit www.queenslandrail.com.au/stabling for more information and updates.

For your information

You will notice the following around your local area and on-site during these works:

- Delivery trucks and workers' vehicles entering the site via Guardhouse Road, Railway Parade (north and south), Royal Parade, Purchase Street and Park Street
- Workers may begin arriving to site from approximately 7pm (8pm start) and 9pm (10pm start)
- Transportation and delivery of materials such as capping and ballast using haulage trucks
- Vehicle routes will include St Vincents Road, Tufnell Road, Purchase Street, Earnshaw Road, Eames Street, Park Street and Royal Parade
- Delivery and unloading of materials and use of machinery such as excavators, mobile cranes, front-end loaders, generators, track mountable excavators and a smooth drum roller machine
- Use of small power tools such as drills, saws and minor vibrating equipment
- Mobile lighting towers to light the work areas
- Ongoing use of a temporary work and laydown area at the rear of Banyo Memorial Park. Pedestrian access will continue to be maintained through the park during works
- Changed traffic conditions, including reduced speed limits and short traffic delays, will be experienced. Traffic controllers will be on-site when required to assist with changes to pedestrian and vehicle movements.

Queensland Rail and CPB Contractors recognise the disruption these works may have on local residents and will endeavour to minimise the impacts and duration of the work as much as possible. We appreciate your patience during the construction period and will continue to update you as work progresses.
