

# Footpath works

Banyo station

St Vincent's Road entrance

## What?

Queensland Rail's contractor will install signage at the new St Vincent's Road entry plaza, adjacent to the footpath area, as part of the Banyo station accessibility upgrade.

Excavation will be carried out using a vacuum excavation truck, with intermittent noise anticipated.

For safety, traffic management will be in place to assist pedestrian access along the footpath and across the rail corridor via the level crossing or station lifts and footbridge.

## When?

Works will be undertaken **Wednesday 6 to Friday 8 August 2025, each day between 9am and 2:30pm.**

## Where?

Banyo station - St Vincent's Road entry plaza and adjacent footpath area.

Vacuum excavation truck and/or crane will be positioned in St Vincent's Road (shoulder closed) with traffic management for the safety of motorists and pedestrians.

Pedestrian access will be maintained for access across the rail corridor via the level crossing or station lifts and footbridge.

## Impacts

Movement and operation of vacuum excavator and crane, St Vincent's Road

Day works (off-peak, 9am to 2:30pm)

Construction noise, vacuum excavation, operation of crane, machinery and powered tools

Traffic management (closed shoulder and pedestrian access)

We apologise for any inconvenience and thank you for your patience while we build you a better Banyo station. Works may be subject to change due to weather conditions and operational requirements.
