

Burpengary station accessibility upgrade

PROJECT UPDATE – FEBRUARY 2024

The Burpengary station accessibility upgrade is part of the State Government's ongoing investment to upgrade stations to make them accessible for everyone.

Station closure

Burpengary station is now closed and is expected to reopen in the second half of 2024.

Train services are running **express in both directions between Morayfield and Narangba stations**. Trains are not stopping at Burpengary.

Transport to and from Burpengary station

An accessible **shuttle bus service (Route 661)** is running between Burpengary and Narangba stations leaving from the Burpengary Road side.

Please plan your travel by **downloading the MyTranslink app**, visiting translink.com.au or by calling **13 12 30**.

Upcoming works

Customers and the local community can expect to see the following activities in early-2024:

- **new lifts and footbridge construction**
- **new station office and facilities works**
- **platform raising works**
- **service and station infrastructure works.**

Impacts (see map on back)

The carpark on the Bantry Street side is closed with some parking available from the new driveway entrance from the city end of Burpengary Road.

With the old footbridge being removed, pedestrian access across the rail line will be via the Rowley Road level crossing.

Thank you for your patience and understanding.

The new lift, station building and footbridge works

Out of hours works - planned track closures

- **2 - 4 February 2024** - from 11pm on Friday 2 February to 6pm on Sunday 4 February
- **26 - 28 April 2024** - from 11pm on Friday 26 April to 6pm on Sunday 28 April

* Station carpark closed during these times.

Works will generally take place 6am to 6pm Monday to Saturday, unless notified.
