

# For your information

## SEQ Rail Stabling Program – Elimbah electrical commissioning work

As part of the SEQ Rail Stabling Program, Queensland Rail and CPB Contractors will be undertaking electrical commissioning work within the rail corridor at the southern end of the stabling facility adjacent to Beerburrum Road, Elimbah.

This work will be undertaken from **11pm Saturday 1 July 2017** and is expected to take approximately **nine hours to complete**.

### Residents may notice the following activities during these works:

- Delivery trucks and workers' vehicles entering the site via Hamilton Road
- Transportation and delivery of materials using vehicle routes which include Hamilton Road, Sanna Court, Mansfield Road and Beerburrum Road
- Operation of elevated work platform (EWP) and lighting tower at the southern end of the stabling facility off Beerburrum Road
- Operation of stabling facility lighting.

Every effort will be made to keep disruption to a minimum. We appreciate your patience during the construction period and will continue to update you as work progresses.
